Dear Lucien Liz-Lepiorz,

Thank you for requesting a Developer API Access Key. Your Access Key must be embedded into your business system/application or e-commerce solution in order for you to have access to UPS APIs. If you require assistance on using your Access Key, check your API documentation.

Your Access Key is: 4CFA6C1CE9A79415

Please write down your Access Key or print this message for future reference. You can use this Access Key to process transactions using the Developer APIs listed below. Note that for the Developer APIs listed as "Test Access Only" you must request production access in order to process production-level transactions.
