

**FedEx Test System Access Confirmation**

- 1** Contact Info **2** License Authorization **3** Confirmation

Congratulations! Your Test System Access information is confirmed.

There are two parts to the FedEx Authentication process. There is a security code and a test key.

Please retain the following information in a secured environment. You will need this information to run your Web Services in the FedEx test environment.

A confirmation email will be sent to you with your Test Security Code and directions for testing your FedEx Web Service application in the FedEx Test environment.
